Job Position: Mental Health Therapist
Job Type: Full-time

About Exalta Health

Exalta Health is a faith-based nonprofit healthcare center committed to providing Christ-centered care for all. Our integrated care model allows us to provide medical, dental, vision, behavioral, and spiritual care services. We provide accessible, affordable, and high-quality healthcare while maintaining a passion for mission, being welcoming and dedicated, and striving for excellence.

Key Responsibilities

- Provide counseling and support for mental health, substance use, and life challenges
- Assess patient needs and develop individualized treatment plans
- Collaborate with clinical providers and the care team to support integrated patient care
- Connect patients with appropriate community resources and support services
- Maintain accurate and timely clinical documentation
- Collaborate with community partners to improve access to care and support patient well-being

Qualifications

- Master's degree in social work, counseling, psychology, marriage and family therapy, or a related field
- Current, unrestricted Michigan license in a relevant behavioral health profession (for example LMSW-Clinical, LPC, LMFT, LLP or Licensed Psychologist)
- Willingness to sign Exalta Health's Guiding Principles
- Fluency in English and Spanish preferred

Employee Benefits

- Medical and dental insurance plan options for full-time employees and their families
- Flexible spending account (FSA) available for full-time employees
- 403(b) retirement savings plan with employer match for part-time and full-time employees
- Paid time off and holiday pay for part time and full-time employees

How to Apply

- Candidates interested in the position should submit a resume on our website (https://exaltahealth.org/careers/)
